

Fall 2026

Evolution seminar and journal club

Department of Bioinformatics and Genomics

EVERY THURSDAY

2:00 to 3:30 PM

Talks and discussions start between 2:15 and 2:30 PM.

You are welcome to arrive late or leave early as needed.

Where CIPHER Center seminar room, BINF 408, 4th floor, Bioinformatics Building

Research talks

Students, postdocs, and faculty share work in progress. Preliminary results and project ideas are welcome.

Journal club

We discuss papers old and new, by UNC Charlotte researchers or anyone else.

Open to anyone

Meet students, postdocs, and faculty who work on evolution and related topics.

Snacks and soft drinks

We provide light refreshments at every meeting.

Susumu Ohno Award

Students who present at EVOLVE qualify for this student research prize, a trophy and a certificate.

Faculty you will meet

Morgan Carter
Elizabeth Cooper
Denis Jacob Machado
Way Sung
Laurel Yohe
and more!

No RSVP needed. Just drop in.

Propose a paper or a talk, or ask a question:

Dr. Way Sung wsung@charlotte.edu

Dr. Laurel Yohe lyohe1@charlotte.edu
